## International schools

**SAVE THE DATE:** Esaote is actively promoting international advanced courses all over the world. The training centers are dedicated to all people who wish to learn more about specific clinical skills and topics.

## White Papers

Benefit of the detailed educational white papers related to our products, technologies, methodologies, and clinical applications. Research findings, questions and tips, and specific highlights are now within reach to support your daily activities in the clinical field.

## Webinars

Join our Special Educational Webinars (SEW) held by skilled Teachers: all webinars are FREE to attend. Watch webinar talks and videos from some of the most well-known Opinion Leaders in the world, right in your web browser.

## APP iOS/Android

Welcome to Esaote Library APP! Esaote Library includes digital documentation about Esaote products and technologies. You can download the APP iOS/Android in PlayStore/AppleStore on your personal tablet.

- Please send me more information on your Ultrasound product line
- I would like to be updated on your educational activities
