

**Esaote presents the new MyLab™X8 at ARAB HEALTH 2020,
the Healthcare Exhibition & Medical Congress in the Middle East**

January 27, 2020 [Dubai, UAE] - Esaote presents the **MyLab™X8** - the high-performance and versatile ultrasound platform to support hospitals and clinics facing today's challenges - at **ARAB HEALTH 2020**, the Healthcare Exhibition & Medical Congress in the Middle East, **booth number S1.A30 - Sheikh Saeed, Hall 2** (January 27th-30th, Dubai World Trade Centre, UAE).

Based on the recently introduced ULTRA™ technology platform, the product profile includes a limitless approach to ultrasound imaging and high-quality patient care.

“The new MyLab™X8 is designed to be a reliable partner in the daily clinical routine,” said **Luca Bombino**, Ultrasound Global Marketing Director at Esaote. “We leveraged scalable technology to completely renew our ultrasound product line, and migrate premium performance and features to more affordable systems, without compromising clinical confidence, throughput, and reliability.”

Esaote has always invested in workflow-oriented design. The MyLab™9, its flagship ultrasound product, has many solutions in common with the new MyLab™X8, including the control panel design and exam time reduction and automation.

easyMode* and **easyColor*** are two exclusive Esaote solutions which simplify and drive ultrasound image optimization in just 3 swipes.

The new “Never Stop Seeing the Unseen.” concept highlights the Esaote’s attitude to innovation, research, and development, affirming the Italian company as one of the world’s leading providers of diagnostic imaging solutions.

The MyLab™X8 and the MyLab™ ultrasound product line include a wide range of cutting-edge technologies, such as:

- Virtual Navigator fusion imaging
- QElaXto shearwave elastography
- Very high-frequency, microV, QPack
- Exam automation tools like eScan, eDoppler, zero-click advanced functions

Come and discover the new MyLab™X8 on January 27th-30th at ESAOTE BOOTH S1.A30 - Sheikh Saeed, Hall 2, Dubai World Trade Centre.

* patent pending

MyLab is a trademark of Esaote spa.

Technology and features are system/configuration dependent. Specifications are subject to change without notice. Information might refer to products or modalities not yet approved in all countries. For further details, please contact your Esaote sales representative.
