### Sono-Anatomy for Shoulder (Joint) Injections

Prof B. Moriggl

**Prof. Bernhard Moriggl**, MD, FIACA, is a staff member and professor of anatomy at the Innsbruck Medical University, Austria. He has worked out several cooperations for improvements in teaching and improving regional anaesthesia techniques. He has special knowledge of small-parts sonography and somomorphology. Moreover, he is one of the founding fathers of the SIG USPM (ultrasonography in pain medicine) within the ASRA and is its educational officer.

**Dr. Lukas Kirchmair**, DESA is a consultant in anaesthesia and intensive care at the AUVA Trauma Center in Salzburg, Austria. Trained in anaesthesia, intensive care and emergency medicine at the Medical University Innsbruck, Austria. Regional and trauma anaesthesia, pain therapy, anatomy and in particular ultrasound guided techniques are his major interests. He is also involved in the Salzburg medical emergency system as well as in the Austrian air rescue system.

Register to the sessions at **ESAOTE WELCOME DESK**

*Committed to Education*

## International School of Ultrasound in Pain Management

University of Innsbruck, Austria

**6-7 March, 2015 - 26-27 June, 2015**

Scientific organiser: **Prof. Bernhard Moriggl, MD**

# Smart Highly Portable Ultrasound, delivering Productivity, Efficiency, Value

## MyLab<sup>™</sup>Gamma

MyLab<sup>™</sup>Gamma is a best in class, highly-portable, 'green' ultrasound system. Based on Esaote's productivity-oriented operating platform, the super-light, feature packed portable system sets ultrasound free to be used in any environment at a moment's notice.

Come and see it at **ESAOTE BOOTH N. 25**

Once filled in, please return your registration form to the Esaote booth - N. 25
