"The MyLab™X7, MyLab™X6 and MyLab™X5 systems renew and complete **Esaote's** product range," said **Giovanni Altobelli, Ultrasound Product Marketing Manager**. "Our goal is to make **ultrasound** acquisition faster and smarter, bearing in mind the increase in diagnostic confidence, the reliability of clinical performance, and the improvement of daily productivity."

Esaote's MyLab™X7 technology makes it possible to reach better, faster, and more reliable decisions thanks to extremely intuitive usability and ergonomics that meet every need. It is a resilient, green, and movable system with unprecedented image quality, optimally simple interface usage, and significantly faster outputs thanks to the zero-click automation functions.
